

My way, on my day 160303.

Strathspey, 32 bars, 3 couple dance in a 4 couple set.

Music: Reel Friends: Above the clouds (Of cause)

- Bar 1-8 1st and 2nd couple set and cast, briefly touching nearer hands with partner, the long (curving) way down behind 3rd couple and up between 3rd couple, 2nd couple leading. 2nd couple finish in 1st place facing out, and 1st couple finish in 2nd place.
- Bar 9-16 1st and 2nd couple dance a double figure of eight. 1st couple start crossing up and 2nd couple cast. Finish where they started (213), now 1st couple is facing in and down ready for:
- Bar 17 - 2nd, 1st and 3rd couple mirror reel of 3 on own sides. 1st couple in
24 and down to start. Finish same place (213)
- Bar 25- Right hand across, lady up with 2nd couple and man down with 3rd
28 couple.
- Bar 29- Left hand across, man up with 2nd couple and lady down with 3rd
32 couple.

Why not a dance for a special day or every day. It's done out there, but here it is again maybe.

Pleated by Christian R Petersen to day.
