

MACLELLAN'S BROOK **(The Glenora Medley)**

A 16-bar strathspey, 16-bar reel medley for three couples in a four-couple longwise set.

Devised by Lee Fuell and Patty Lindsay.

MacLellan's Brook flows from the Mabou Highlands of Cape Breton Island, Nova Scotia, and is the source of the water for the only single-malt whisky distillery in North America, the Glenora Inn and Distillery. Glenora is located in the heart of Cape Breton's Ceilidh Trail, between Mabou and Inverness. For more information, see: <http://www.glenoradistillery.com/>

Recommended music: Captain Horn (strathspey); High Road to Linton (reel). Not commercially recorded; recordings for "Cauld Kail in Aberdeen" work well as an alternative.

Strathspey

- 1-8 1st couple set to each other, then turn with both hands once round. 1st couple and 2nd couple (near hands joined on the side) set, then dance a Petronella turn into a line up and down the middle of the set.
- 9-16 1st couple and 2nd couple dance Highland Schottische pousette; 1st couple finish facing first corners.

Reel

- 1-8 1st couple set to and turn corners ("twiddles" between corners encouraged if dancer has the ability); 1st couple finish facing first corners.
- 9-16 1st couple dance reels of three with corners (six bars), left shoulder to first corner to begin. 1st couple cross over to own sides on bars 15 and 16.
