A 32 bar jig for four couples in a longwise set. 2nd and 4th couples start on opposite sides.

This dance is dedicated to Eric Ferguson who has worked tirelessly for the international Scottish Country Dance community for several decades. His contributions include writing thousands of “E-cribs” and maintaining and adding to the contents of the Scottish Country Dance Database (SCDDB, also known as the Strathspey Database or DanceData). He has always been ready to offer a helping hand to others by sharing his expertise or making quick database updates. The extra hand holds in this dance are a symbol of that.

Recommended tune: Eric Ferguson, E-crib Master (Wouter Joubert) played ABAB.

The dance was written for this tune which was composed by Wouter as a gift to Eric on his retirement from active editing of the Strathspey Database.
